***Dvd Createx Beginning Airbrush**

Duration 78 minutes , world renowned t-shirt artist Kent Link showcases the HP.BCS Eclipse utilizing Createx Colors to create artworks on fabrics.

Learn how to breakdown the airbrush and maintain it, beginners exercise drills using Createx Colors and much more... A must have dvd if your serious!

***Iwata Cleaning Station**

A must for keeping your area free of unwanted paint and cleaner, simply place the airbrush into the opening in the plastic top and spray into that for airbrush cleaning.

Has a glass jar for easy cleaning with an outer protective plastic cover, the top of the unit has a cradle which may be used as an airbrush holder.

***Iwata Disconnect Set**

Male attaches to the airbrush or Iwata airbrush accessories such as pistol grip moisture filter & mac valve, the female attaches to the Iwata airbrush hose.

This allows quick changes of airbrushes or for packing down after use

***Pistol Grip Filter**

Designed for all Iwata airbrushes, the moisture trap is the last line of defence from moisture entering your airbrush, has a moisture release valve as does a moisture trap.

***Bottle Adapters**

Suitable to all Wicked Colors, Createx Colors , Autoborne Colors for bottle sizes of 60ml & 120ml.

Take of the paint top, cut the tube on the adapter to suit the height of the bottle intended for and screw the new lid on with the adjusted tube length.

This now plugs up under the Iwata Eclipse HP.BCS for quick colour changes.
